Website Scavenger Hunt

To celebrate our new website, Literacy Volunteers of Wayne County has organized a web-based Scavenger Hunt!

The Scavenger Hunt is a fun way to help the community explore our new website and to give learners a chance to practice their reading and internet search skills.

For the month of April 2021 - while supplies last - small prizes such as Literacy Volunteers branded sticky-note pads, wristbands, or tote bags may be awarded *by request* for correctly completed entries.

The answers to all 10 questions can be found on our new website – www.LVWayne.org – or by clicking on one of the links. Beware - some answers are easier to find than others!

1. What is the mission of Literacy Volunteers of Wayne County?
2. What credential did Miguel earn?
3. What weekly event happens on Thursdays?
4. In what way can Literacy Volunteers help an adult seeking citizenship?
5. What is included in a *Books from Birth* packet?
6. What website would you visit to find TASC resources from the publisher?
7. What teaching background do you need to become a Tutor?
8. What are some other volunteer opportunities we offer?
9. What can a donation of \$100 support?
10. What company processes online donations for Literacy Volunteers of Wayne County?

Please use the **Contact** form on the website to submit your answers. Please indicate whether you would like a prize (while supplies last).

Thank you for your interest and your support of Literacy Volunteers of Wayne County!
